Leisten Online Services, Inc.

Computer Diagnostics and Repair

Serving the Northwest Valley since 1998

www.leisten.com

Computer Tune-up? Windows Updates? Computer Problems? Hardware upgrades? Anti-Virus current? Got Spyware? Slow Computer? Wireless networks? Printer Problems? Firewall? Can't connect to internet? Email not working? Computer Crashing?

Ask us about our in-home computer training services and customer built computers.

We service / repair all brands!

Leisten Online Services, Inc is a family owned computer diagnostic and repair corporation. As such, we provide prompt personalized service, 100% customer satisfaction, complete customer confidentiality, and do not maintain confidential customer data or information at our company. Since 1998, we have earned the trust of over 1100 customers in the Sun City, Sun City West, Sun City Grand, Surprise, Peoria , and the Phoenix Metropolitan area. We have been listed with P.O.R.A and H.O.A for over 9 years.

Our business has grown because our satisfied customers have referred Leisten Online Services, Inc. to their family, friends, and neighbors. We pride ourselves on helping our customers beyond what is expected. Each referral that you provide, gives us the opportunity to serve another customer in a manner we would like to be served.

If you would like to be treated like a customer, receive honest work from someone who is experienced, dependable, trustworthy, and strives to maintain 100% customer satisfaction, then you need to call Jim to resolve your computer issues.
